## Appendix IV

# South Carolina State Leaders of Home Economics and State FCE Advisors

Until 1967, there were two separate Extension Home Economics Programs and homemaker councils. The white Extension Homemaker program was called the South Carolina Council of Farm Women and the South Carolina Home Demonstration Council and was advised through Winthrop College and later through Clemson University. The Negro Extension Homemaker program was called the Palmetto Council and was advised through South Carolina State College.

### State Leaders/Assistant Directors of Home Economics

|                                 |                          |           |
